

## FACULTY POSITION

### INSTITUTO DE FÍSICA UNIVERSIDAD NACIONAL AUTÓNOMA DE MÉXICO

<http://www.fisica.unam.mx/>

The **Instituto de Física (IFUNAM)** of the **Universidad Nacional Autónoma de México (UNAM)** seeks an exceptional candidate for a tenure track position in Theoretical or Experimental Physics starting March 2019, according to the following:

#### GUIDELINES

1. Applicants should hold a PhD in Physics or a closely related field and have at least two-years postdoctoral or equivalent experience. Preferably have teaching experience.
2. Candidates should be under 39 years of age for women and 37 for men by 31<sup>st</sup> January 2019.
3. They should have an outstanding research record and proven experience in:  
**Condensed Matter and Nanosciences**
4. The primary selection criteria will consider the candidate's academic achievements and potential to conduct innovative research projects. Applicants are expected to have the ability to interact with researchers and students of Instituto de Física. The successful candidate is expected to teach undergraduate and graduate physics courses and to be involved in supervising student research projects.

#### REQUIREMENTS

Applicants must submit:

- a. A cover letter addressed to the Director of the Instituto de Física, Dr. Manuel Torres Labansat, indicating their interests in research.
- b. A complete curriculum vitae including a full list of publications.
- c. A statement of previous research experience, maximum 3 pages.
- d. A proposed research project to be carried out in the first 3 years of work at Instituto de Física, maximum 5 pages.
- e. Arrange to have at least three reference letters.

Applications should be submitted electronically to:

<http://olimpo.fisica.unam.mx/plazas>

Registration will be open from October 15<sup>th</sup> to December 31<sup>st</sup>, 2018.

### ADDITIONAL INFORMATION

- The candidates may be invited to give a seminar and hold an interview with the selection committee.

### INCLUDED BENEFITS

Initial salary will depend on the level at which the appointment is made, in accordance with UNAM's wage scale. Additionally, researchers at UNAM receive performance-related bonuses and health insurance. Initial contracts are renewed annually, with the possibility of becoming a permanent position.
